## Education

### California College of the Arts

BFA, Interaction Design. Minor in Visual Studies.

Sep 2016 – May 2020

## Experience

### Freelance Designer

May 2020 – Present

Currently a product designer at KinConnector, volunteer graphic designer at Gray Area. In collaboration with Ryan Ormsby, I recently animated the digital poster for a festival with the record label all my thoughts.

### Ouva

Design Intern, July – August 2019

Designed and tested user experience flows for Ouva's new voice user interface. Refined brand identity across Ouva's products, social media, and presentation decks. Redesigned Ouva's website.

### California College of the Arts

Fabrication Shop Monitor, Sep 2017 – May 2020

Designed and built objects including signage, furniture, and shelves for multiple shops. Assisted students with modelmaking and woodworking on materials, tools, and techniques.

## Exhibitions
